

Cobra[®] RIDGE RUNNER[™]

Exhaust Vent for Roof Ridge

Learn about
**Attic
Ventilation**

*Protect Your Roof
From Premature Deterioration
By Providing Effective*

Attic Exhaust Ventilation

Effective attic ventilation is critical for a long-lasting roof! A properly balanced attic ventilation system will help to:

- Remove excess heat and moisture to protect your roof from premature deterioration
- Prevent roof rot in your attic or roof deck
- Minimize peeling and extend the life of exterior and interior paint
- Limit the growth of harmful mold
- Safeguard your attic possessions against mildew damage
- Guard against ice damming in harsh winter climates
- Possibly reduce excessive heating and air conditioning costs

Cobra[®] Ridge Runner[™] exhaust vent is a key part of the GAF-Elk Smart Choice[®] Roof System Solution, and has even earned the prestigious Good Housekeeping Seal (see reverse).
