To Whom It May Concern:

This is to confirm that both perforated and un-perforated radiant barriers may be used in conjunction with GAF-Elk shingles without voiding the GAF-Elk limited warranty against manufacturing defects.

For additional information concerning radiant barriers, please see the GAF-Elk Steep Slope Technical Point, No: 124-07, Radiant Barriers.

If you have any further questions, please contact us at 1-800-766-3411, option 1.

Sincerely,

*Michael Schwent*
