*The Perfect Finishing Touch For Your
New Roof Should Be A Venting*

Ridge Cap Shingle

A Venting Ridge Cap Shingle Will:

- Accentuate the natural beauty of your newly installed architectural shingle roof (or even add dimension and depth to a strip shingle roof)
- Insure multi-layer protection at the highest-stress areas of your roof (the hips and ridges)
- Provide venting for your attic that will allow heat and moisture to escape

Vented RidgeCrest™ ridge cap shingles are a key part of the GAF-Elk Smart Choice® Roof System Solution, and have even earned the prestigious Good Housekeeping Seal (see reverse).
