

# InSpire Blended Tiles

Try something different using InSpire's Blended Tiles

InSpire impresses with the true authenticity of slate to create memorable, extraordinary homes. Our spectrum of colors provides nearly three times the offerings available by other manufacturers. The versatility of InSpire allows you to choose a single color for a saturating richness, a blended color for stunning dimension or a hand-mixed variety of tile colors to present exclusive custom curb appeal.

## Features

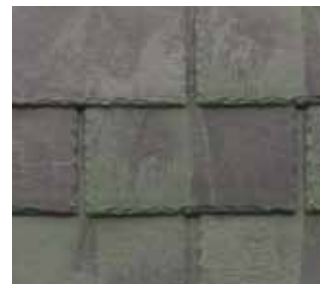

- Our Compression Molding Process makes it possible to provide 2 colors on 1 Tile to present a mottled slate natural appearance.
- Helps save labor since there is no Shuffling or Blending of the tiles to achieve a color mix on the roof.
